

Student Contractual Commitment

All prospective Students will enter into a Standard Student Contract with our training centre upon confirmation on enrolment into the courses.

Under the Student Fee Protection Scheme, all International Students will need to open a Student Tuition Fee ESCROW Account with a EDURUST-endorsed bank. Local Students can opt-in to this scheme using the Standard Student Contract (LOCAL).

Security and Confidentiality of Student Information

All Students' particulars obtained are solely for the purposes of completing course submission. When the training centre wishes to use students' particulars for purposes other than internal marketing and billing, we make this known to the student before obtaining their particulars and obtain the consent of the student using *Consent Form For Using Students' Particulars*.

We will ensure that the Student Information is kept confidential at all times.
